If you are thinking of selling your home why not ask us to provide a free market appraisal with detailed valuation report and see how our fresh & enthusiastic approach to marketing will help to sell your house. PROPERTY MISDESCRIPTIONS ACT 1991: The agent has not tested any apparatus, equipment, fixtures and fittings, or services, so cannot verify that they are in working order or fit for the purpose. References to the Tenure of the property are based on information supplied by the Vendor. The agents have not had sight of the title documents. The buyer is advised to obtain verification from their Solicitor. Fixtures & Fittings other than those mentioned within these details need to be confirmed with the seller. Please note that any services, heating systems or appliances have not been tested and no warranty can be given or implied as to their working order. Hazelwells have produced these details in good faith and believe them to provide a fair and accurate description of the property. Following viewing and prior to financial commitment, prospective buyers should satisfy themselves as to the property's suitability and make their own enquiries relating to specific points of importance. The accuracy of these particulars is not guaranteed and they do not form part of any contract. You are advised to check the availability of any property before travelling any distance to view.

Energy Performance Certificate

Non-Domestic Building

Unit B1
Anchorage Business Park
Chain Caul Way, Ashton-on-Ribble
PRESTON
PR2 2YL

Certificate Reference Number:

0790-0331-2660-1290-4096

This certificate shows the energy rating of this building. It indicates the energy efficiency of the building fabric and the heating, ventilation, cooling and lighting systems. The rating is compared to two benchmarks for this type of building: one appropriate for new buildings and one appropriate for existing buildings. There is more advice on how to interpret this information on the Government's website www.communities.gov.uk/epbd.

Energy Performance Asset Rating

More energy efficient

..... Net zero CO₂ emissions

Less energy efficient

Technical information

Main heating fuel:	Natural Gas
Building environment:	Heating and Natural Ventilation
Total useful floor area (m ²):	163
Building complexity (NOS level):	3

Benchmarks

Buildings similar to this one could have ratings as follows:

41 If newly built

88 If typical of the existing stock
